**Subject:** Optimizing Mine Operations Conference: Program Release

Dear Ms Michele Mahoney,

I am delighted to announce that **Mining Magazine** has released the program for the **Optimizing Mine Operations Conference**.

[Download the Program Now](#)

At the event, which is taking place on the 30th Sep - 2nd Oct in Toronto, you will see case studies from the continent's leading mining companies on how they are optimizing their operations. Automation, asset management and maintenance, production optimization, safety and data management are just some of the topics which will be discussed at this thought leading and value adding conference.

Confirmed speakers include:

- **Feroz Ashraf**, Executive Vice President & COO , **Uranium One Inc**, Canada
- **Andrew Scott**, Director Mining Information Technology and Automation, **Barrick Gold**, Canada
- **Damon Dormer**, Senior Director Mining Innovation, **Newmont**, United States of America
- **Samantha Espley**, General Manager, Mines and Mills Technical Services, **Vale**, Canada
- **Thomas Bolles P.E.**, Chief Engineering Process Development, **Freeport-McMoRan Copper and Gold**, United States of America
- **Arne Renström**, Senior Project Manager, **Boliden**, Sweden
- **Marcelo Aliendre**, Senior Manager – Global Maintenance and Engineering, **Barrick Gold**, Canada
- **Luke Jalsevac**, Senior Manager Operations Excellence, **Kinross Gold**, Canada
- **Douglas Morrison**, President & CEO, **CEMI**, Canada
- **Dr. Hooman Askari Nasab**, PhD, PEng, Professor, Mining Optimization Lab, **University of Alberta**

Ms Michele Mahoney, If you are interested in attending the event, then make sure you register now and take advantage of the limited discount prices available as you can save up to \$800!

Ways to register:

- Online: [www.miningoptimization.com](http://www.miningoptimization.com)
- +44 (0) 207 216 6056
- Email: [cs@resourcefulevents.com](mailto:cs@resourcefulevents.com)

I look forward to hearing from you.

Kind regards,

Iain Bell  
Event Director, Optimizing Mine Operations Conference
